

BEAN BAG GAME RULES

Boxes are placed 33 feet apart from center of hole to center of hole.

Players:

- The game will be played with 2 players per team.
- Each team gets 4 bean bags to throw.
- Each player throws from behind the front of the boxes. This is the foul line. The player must not pass the foul line or the players throw does not count and the bag is removed from play.
- Each team alternates shots beginning with the team that had scored last.

Game:

- Each team will play best of 3 games in a match (first team to win 2 games).
- Each team will play 3 matches in their pool.

Scoring:

- Points are scored when a player has a bag on the board or in the hole.
- A bag on the board is equal to 1 point, a bag in the hole is equal to 3 points.
- Game is played until one team scores 21 points. Winning team does not need to win by 2.
- A bag that is tossed in play and knocks another bag off or in the hole is legal.
- A bag that bounces from the ground onto the board is not a legal play. This bag must be removed from the board and play is then continued.

The winner of the pool with the best record moves on to single elimination bracket play. If two teams are tied after pool play, head-to-head winner advances. If three teams are tied after pool play, the following rules apply: 1 - Fewest points allowed in pool play, 2 - Most points scored in pool play, 3 - Coin Toss.

Championship games will be played on Sunday.
